YOUR MONTHLY BLESSING

FEBRUARY BLESSING

“Because of your thoughtfulness, the Light of Life shines the brighter in other lives. May your own path be more luminous because of it. May the Great Light of the Infinite be upon you and in you, and shine through you in all you do.”

AFFIRMING MEDITATION

As I go about my daily tasks, as I use the treasure of time entrusted to my care, help me be a good steward. Help me fill my day not only with effort and ingenuity but with love and consideration.

A MESSAGE OF LOVE FROM EARLYNE CHANEY

Memories

You are the greatest thing in all the world. It has been said that love is, but if God is love and you are God and God is the greatest thing in the world, then you, created in the Divine image, must also be the greatest thing in all the world...

All the heavenly bodies in God's great solar system are reflected in miniature inside you. All of the colors in this majestic universe radiate a reflection inside your being. All the powers controlling the rhythmic ebb and flow of the tide sway the rhythmic tides of your own inner being. Inside you is the mind to conceive that what I say is true.
